Membership fee Rs. 3100/- (Valid for 5 years)

- 1) **“Buying in cheap market and selling in an expensive market”** is a fundamental rule of wealth creation but is **missing in our present way of investing** in MF equity schemes.
- 2) In order to help people bring this missing component back, we are providing this platform of group **TPIR** to enable them develop this habit in our association.
- 3) The indicators for understanding stock market's cheapness and expensiveness will be as available in our book **“Right Attitude to High Altitude - A 3D Concept to Win Stock Market”** authored by our proprietor **Sri Kamal Singhi**.
- 4) All investments in mutual funds will be routed through the AMFI code of Sri Kamal Singhi.
- 5) A Member needs to separate an amount for investment in equities for which he can keep long term patience with firm faith in the fundamental rule of wealth creation. He should keep strong faith in self restraints & would practice to develop the perception of a true investor in order to see stock market's cheapness and expensiveness.

Risk factors and disclaimers:

- 1) Mutual fund investments are subject to market risks. Past performance may or may not be repeated in future. No sort of guarantee is being offered for any MF scheme or under this program.
- 2) **TPIR** is not any scheme in it self. It is just a group of our clients who wish to develop habit of investing in cheap market and selling in expensive market for investments in MF schemes in our association.

Having understood the above concept, I declare myself to accept the membership of group TPIR in full knowledge of the above.
